## 1901 RAYMOND'S GOLDEN JUBILEE 1951

*Our town will celebrate its fiftieth birthday on July 1st of this year  
Plan now to do your part in making the celebration a success*

**THE RAYMOND LION**  
The big Convention for District 37 is being held in Calgary this week—May 16, 17, 18. This takes in all of Alberta from Peace River to Milk River and most of Montana. The territory is so big and duties so heavy that we have developed from one District Governor to four—each presiding over a definite territory. Each Division is broken into Zones—each having a Chairman—and these Zones are conveniently grouped under Deputy District Governors. Raymond is included in District 37D under Governor Ken Long, Deputy Governor Bill Erwin and Zone Chairman L. L. Harker. All District Officers, the local Club President and the Secretary are expected to be at the Convention. As many other Lions as can go should attend.

The Convention consists of Business meetings for the District, instructional sessions for new club officers, social activities, stunts, and a variety of entertainment features. The Convention is well worth attending and right in our back door—lets go!

In order to give the new officers for next year a chance to get the meetings at Convention, we have held our Elections a month early. The new officers will not take over until the first meeting in July. We have a good slate of officers to conduct the year's business for 1951-52. At the last meeting secret ballot revealed the following as successful candidates:

President—Arlidge Hill  
First Vice Pres. Joe McLean  
Second Vice Pres. Dee Rolston  
Third Vice Pres. Jack Jones  
Secretary Treasurer—L. L. Harker  
Tall Twister—Cal Hill  
Lion Tamer—Mas Terakada  
Directors—Jack Evans, Karl Wilde  
Directors still in office for their two year term—Doug Paxman and Rulon Dahl.

One of the important Lion activities is inter-club visiting. No Lion is a whole-hearted Lion unless he visits the boys down the line to see what they do and think. One of the highlights of every Club's Annual Program should be the Zone Party. This year it was held in Waterton on May 9th. We joined the Zone in the Pass and all went to Waterton Park to celebrate the opening of the new Lions Community Hall. About two hundred and forty Lions and guests attended.

A very delicious banquet was served hot and with despatch. The program consisted of a stunt or novelty from each club—it was good and it was short. Joe McLean sang "Old Man River" in darky make-up for Raymond's number. The crowd liked it very much.

Cardston Jensen Boys Orchestra played for the dance. It was very good. The people of Waterton have a very effective Community Centre for one hundred and forty people. They are to be heartily congratulated for their labors.

Raymond had the greatest number of miles travelled and we had four cars on the trip: The Karl Wildes, M. T. Kiggs, Rayo Woolfs, Joe McLeans, Leon Harkers, Cliff Nalders, P. K. Morelands and the Herbe Wildes. Everybody thoroughly enjoyed the evening. The weather, the park the deer, the hospitality—all were very ideal for an early trip to Waterton.

If those people who buy a green ticket to "Going Places" are interested, they are good for a fifty cent reduction on the purchase price of a new subscription to the Raymond Recorder. Bring it and two dollars to our office before the show and get your subscription.

Mr. and Mrs. Leonard Watson spent a few days visiting in Great Falls last week.

### Calling Shower For Recent Bride

The Mike Holland home was the scene of a lovely calling shower last Wednesday evening honoring Mrs. Roberta Best, a recent bride, now of Lethbridge. Mrs. Best is the eldest daughter of Mr. and Mrs. Ted Campbell of Raymond.

Mrs. Pat Kirkham was in charge of the Guest Book and Joyanne Holland and Lorna Campbell accepted and arranged the many lovely gifts presented the Honoree.

A dainty lunch was served the guests on tables prettily decorated with potted plants. Serviteurs were Carol Heggie and Ha Campbell.

### Debris Or Not Debris

Don't look now but your Cummerbund is slipping. Ten chances out of nine you folks don't know what I'm talking about. That makes it completely unanimous. Lets say it this way—Don't peek but your Kamar—band is sagging. Still clueless? Well here it is straight from worst authority in the world—me. Kamar-band or Cummerbund, which ever you prefer, actually means a girdle or waist-band. You know, one of those three way stretch things that prevent mama, and papa too for that matter, from always coming into the room belt-buckle first. A curative for bulges, sags and over-eating—hides that middle age spread and itches worse than a pet coon at a flea circus. I think they are included in the same category as foundation garments; at least you can buy them over the same counter. Ask for them at the store where you see the big sign which reads "What if you are built like a house, we've a foundation for you." Is your Mary built with corners instead of (Continued on page three)

### Just Penning Thanks

(Margaret Huszar)  
Only 25 days of school left! I counted them. That is, excluding those—shudder, chatter—exams. 25 days and we are free!

Lets look into the future. The crystal ball is clearing—ah, I see it. It's wrapped in a box, could it be The—help! murder!—"The Thing" No its the last day of school.

Students, who have not smiled all year, march in, their veneer cracked from earring to earring.

We feel light and airy, probably because we are not weighted down with books. There is a noticeable absence of naughty words, mostly because there is a noticeable absence of naughty students. The first bell rings. No one is in any hurry, but finally most of the desks are filled, and school commences. Instead of the usual I'll—split—them—out—you absorb—em—by—osmosis—if you—can relationship between teacher and student, there is a genial exchange of ideas. The whole day is one long philosophy class. There might be a break for that "Now, when I was your age" type of history.

At four the last bell sends its echoes through the halls. Soon the sidewalk are filled with students who have only one purpose—to burst their lungs and bust your eardrums. Summer vacation begins.

### Mrs. George Fromm Is Laid to Rest

Death came to Mrs. Margaret Sturmfels Fromm, beloved wife of George Fromm, on Wednesday, the ninth of May, just a little over a month before her 81st birthday. She passed from this world at about three o'clock in the morning at her home here.

Mrs. Fromm was born in Send, Germany, and met and married George Fromm in the town of Darnstadt-Hessen, Germany, where Mr. Fromm was in the watchmaker's business. From the day of their marriage Mrs. Fromm was a great help in the business and considered by her husband to be a partner in their business life as well as in their family affairs.

In the year 1906 they heard the gospel of Jesus Christ from Latterday Saint missionaries and embraced that faith and moved to Salt Lake City the following year. After twelve years in the watchmaking business there the family came to Canada and settled on a farm north-east of Raymond.

In 1927 Mr. and Mrs. Fromm were called to fill a mission for the Mormon Church in Germany. When Pres. David O. McKay set Mrs. Fromm apart for her mission he told her that she was the first lady missionary to go into the European Mission.

While they were in Europe the family at home sold their acres here and moved to a farm in the Stirling District and three years after their return in 1929 the Fromm family moved into town to start up a business (continued on page two)

### Engagements Announced

Mrs. Orson Anderson announces the engagement of her eldest daughter, Velma Vance, to Lyle Dean Bigelow, youngest son of the late Mr. and Mrs. O. O. Bigelow of Cardston.

The marriage will take place at the Alberta Temple on Wednesday, May 30th.

Mr. and Mrs. P. B. Coppleters wish to announce the engagement of their third daughter Rose Marie to Peter Bartsoff, eldest son of Mr. and Mrs. Pete Bartsoff, all of Raymond.

The Wedding will take place on June 1st.

### Comrades Column

An ounce of prevention is worth a pound of cure, is an old proverb well known to us all. We hope the taxpayers and the citizens as a whole will bear this in mind when thinking of the Hon. Brooke Claxton's latest request for 7,000 men for the Eisenhower Brigade. There are several ways of preventing war but the most honourable at present seems to be to out prepare the potential enemy. Although we don't entirely agree with General McArthur's tactics we do agree with his statement that the threat of Communism at present is great and must be met with armed strength. It would be nice to have our town represented on this Brigade.

When the Legion bi-annual Provincial Convention convenes in Lethbridge next month the opening event will be a huge church parade on Sunday June 17th. If you have nothing better to do at that time it will be well worth your time to drive to the City and see this parade. The time and place will be announced. The Convention will open on Sunday and sessions will take place throughout the entire week.

About twenty chairs were filled to capacity at our last monthly meeting, May 9. Several veterans newly arrived in town were welcomed into the Club. At this meeting Comrade Ray Attwood was chosen as delegate to the Convention.

### The Doug Kennedys Honored

A Chuckwagon Farewell Party was held for Mr. and Mrs. Doug Kennedy who are leaving to make their home in Winnipeg. Mrs. Kennedy is the daughter of Mr. and Mrs. T. K. Roberts formerly of Raymond.

This party took place at the Legion Hall Saturday evening where all the guests arrived bedecked in suitable garb. Games, sing songs and square dances made the evening enjoyable.

Tommy Wood composed special verses to the song "So Long".

A delicious lunch of meat loaf, hot rolls, baked beans, cole slaw, potato salad, pickles, punch, icecream and cake climaxed the evening.

Marg and Doug were presented with a beautiful silver tray by the guests.

Guests from Lethbridge were the Gordon Blacks, Bob Nivens, Harry Lusks, Alec Flemmings and the Gordon Roberts, and Mrs. S. W. Clemis, Dr. Tom Witbeck, Mr. T. K. Roberts and David Roberts.

Mr. and Mrs. Booth Card were special guests from Calgary.

### Old Timer Returns

The many people who knew Grandma Collett before she moved from here to Magrath will be interested to know that she is spending a month or so in town, the guest of Mrs. Retta Heggie. Grandma Collett would be very happy to have any visitors who would care to call.

### Golden Anniversary

(Continued from last week)  
Last week while you were reading about the early beginnings in Raymond—the organization of the Ward and those first meetings held in Chas. McCarty's store did you try to visualize what the little hamlet looked like at that time?

Shall I describe Raymond as my husband and I saw it about two weeks before these meetings took place, about which we spoke last week?

We arrived in Stirling by train on October 18, 1901, where T. O. King my husband's brother met us in an open horse drawn buggy. A train ran through Raymond at that time—the Narrow Gauge—but it did not regularly meet the passenger train coming from Great Falls to Stirling and on to Lethbridge. Old Timers say this little Narrow Gauge ran through Raymond two or three times a week as business demanded and its destination was Spring Coulee, therefore new colonists were met in Stirling and went to Raymond by horse and buggy or wagon.

Coming from a mountainous part of the country where the Rocky Mountain Range ran close by, I remember how the wide open spaces impressed me. The vastness of it seemed to swallow me up. No trees, no fences, no mountain peaks; just bumpy roads which ran endless miles across the grass covered prairie. I remember that a lonely homesick feeling came over me and I didn't think I was going to like Canada but that feeling left me as soon as we began meeting the fine people settled here.

As you recall, the townsite was dedicated August 11th, 1901 with no sign of a settlement here then. Two (continued on page three)

As it was a social afternoon, a program was presented consisting of two readings by Mrs. Helen Atwood; two solos by Mrs. Marie Matkin, two cornet selections by Mrs. Irene Halliday and two readings by Mrs. Rhoda Allred, all of which were enjoyed very much.

Two Birthday presents were auctioned off and the door prize donated by Mrs. Thomas Allen was won by Mrs. Rhoda Allred.

A delicious lunch was served by the hostesses Mrs. Norma Meldrum and Mrs. Fern Selby.

### "Rosie" Jones Answers Last Call

The town of Raymond was saddened again on Tuesday, May 15th, by the death of Rose (Rosie) Jones beloved wife of Albert Jones and mother of Yvonne, Geraldine and Heber. Mrs. Jones died after a short but serious illness and the many people she could honestly call "friend" will mourn her passing.

### Valuable Prizes In Babies' Contest

A baby contest will be held in conjunction with the production of "Going Places" being sponsored under the auspices of the Legion Ladies' Auxiliary, and will be presented on Friday and Saturday, May 25 and 26 in the Opera House for the benefit of the High School Band.

The whole town is talking about this contest, and the big question is: Who will the winner be? It is a one-cent-a-vote contest to select the most popular boy and girl in Toyland in Raymond and district.

The contestants in this contest are the small fry between the ages of 1 and 6 years of age and the polling places for them are located in the stores of Raymond's leading merchants. Pictures of all contestants will be displayed in the window of Thompson's Furniture Store. (continued from page 2)

 There are prizes and honors galore as well as prestige and fun aplenty connected with the clever contest. Prizes have been donated by Lethbridge merchants. First place winners will be awarded silver trophy cups from Don Raworth, Jeweler. Second place winners will be presented with merchandise donated by Junior's and Fashion Shop. Third place winner's prizes will be 8 x 10 mounted photographs of the lucky children from A.E. Cross, Photographer.

Each and every one of the contestants will be introduced on stage at the show and at the final performance on Saturday the winners will be announced and prizes awarded in a clever-scene called the 'Kiddies' Birthday Party. In this scene not only the children in the Tiny Tot contest appear, but youngsters from the first three grades will be on the stage to sing songs and perform.

The high point of this scene comes when the Cinderella story is told to the children and a cast of Grade 2 students enact this favorite fairy tale which is set to music. These leading characters in this feature all wear beautiful satin costumes and white colonial wigs.

It promises to be one of the outstanding scenes in the big 9-act musical.

The Tiny Tot Popularity contest starts on Friday May 18 and it closes at 4:00 p.m. on Saturday, May 26th. Watch the vote boxes in the stores sponsoring your favorite contestant, and follow their standings by watching the bulletins which will be posted each day on the Thompson Furniture window.

In the premises now occupied by the Raymond Cleaners. In 1941 they moved into their present home.

Mrs. Fromm was very active in Church work almost all her life except when her health began to fail. About two and a half years ago she suffered a heart attack from which she never fully recovered.

Mrs. Fromm was a friend to all and will be missed by her many friends and neighbors as well as her husband and five children, Margaret (Mrs. Paul Schneider); George Jr., who lives in Salt Lake; Dora (Mrs. Delbert Oler); Hyrum who lives in Great Falls; Mose and the twenty grandchildren and nine great-grand children that survive her. The whole family were present for the funeral.

Funeral Services were conducted by Bishop J. O. Hicken in the Stake House on Saturday afternoon with the first hymn being "I Need Thee Every Hour". The prayer, offered by Pres. L. L. Palmer was followed by the hymn "Rock Of Ages". Pres. J. H. Walker spoke on the good life of the deceased and on the Resurrection. "The End of A Perfect Day" was sung by Jeanine Jensen, accompanied by Emma Dahl at the organ, and M. T. King spoke on life in the here-after. In Bishop Hicken's remarks he told of the beautiful love of Mr. and Mrs. Fromm and of their life together and offered words of consolation and encouragement to the family. Kenneth Hicken's organ solo was followed by the hymn "My Father Knows" and the benediction was pronounced by Patriarch W. A. Heulinger.

Interment was in the Temple Hill Cemetery. The grave was dedicated by Murray Holt and the pallbearers were Karl Schneider, Willie Buettner, Moroni Herget, Lorenzo Herget, John Herget and Ralph Meldrum. Christensen Bros. were funeral directors.

OIL MAKES A COUNTRY STRONG

## WHEN DID THEY OPEN UP THE WEST?

The "opening up of the west" didn't end when the railroads and the settlers and the wheat had come. Nor is it ended today. It is a continuing story of our country's growth and each generation adds its chapter.

Today it is prairie oil that holds out new opportunity, bringing with it new benefits and new security.

In four years discoveries in the west have increased Canada's proven oil reserves more than fifteen fold and the production of crude is six times what it was. These advances, and the half-billion dollars the oil industry has spent on them, have not benefited the west alone. All of Canada is stronger and more prosperous.

Our people and our factories have been made busier by the needs of the growing oil industry. There are new jobs and new businesses. Many millions of dollars once spent for foreign oil now stay at home—or are available for other purposes. And of special importance, our supply of oil is being made more certain, less dependent on sources beyond our borders.

Opening up of the west goes on, bringing closer Canada's self-sufficiency in oil, giving new strength to the nation.

Designed to handle ALL SOIL CONDITIONS easily, Noble Cultivator attachments can be supplied for any soil condition. No cultivator without attachments can suit all conditions. Even where a plow will not penetrate, as for after-harvest work in certain dry baked soils, the Noble straight blade attachment will usually penetrate and work satisfactorily.

For weeding and second strike summerfallow work the weeder blade is readily interchangeable, going on the same way as the regular shovel blade. This weeder assures a better weed kill than the ordinary blade and should be used wherever the ground is sufficiently loose that it will penetrate. It clears through, penetrates and withstands rocks where the ordinary rod weeder will not.

The Model M shown above is very popular for use with Noble squadron hitchers, from two to seven in a unit, for large power.

curves? Don't let that worry you either. Just buy one of our three way stretch, lastex girdles and before the day's over you can make your little Mary-go-round. Just a tip ladies, don't ask the clerk for a cummerbund, she might call for the man in the white coat. Just use the word girdle and you'll get for better and quicker service. You know its alright to know a lot of words, just be careful where you use 'em, somebody might think you're swearin' or sumpin—or display in' your book learnin'.

Dick Chipman, a young husband of several months duration frequently waxes eloquent concerning his wife's cooking. However lavish his praise can be regarding her culinary aptitude his words can never advertise as well as his own expanding girth. Wife Mary not alone feeds him well but of recent days has taken on another job. It would seem that Dick is so wide across the beam that someone must go around and retrieve his gloves from his hip pockets.

The spirit of co-operation and neighborliness is still very much alive in district of Welling. Under the leadership of Murray Wilde approximately 20 Elders of the LDS Church met at the home of John Wolsey Sr. this week. Without any fuss they proceeded to remove the old shingles from one side of the house and with many hands making light work, replaced them with new ones in record time. While this was going on another part of the crew applied a coat of paint to the roof. John Wolsey Sr. asked me to convey his sincere thanks in this manner to all who helped with this job that had been too long postponed.

Congratulation to the Welling Elders, may they never let this spirit

die in their Ward, may they go on to help many others and give not alone a blessing to the recipients of their kindness but get a blessing of satisfaction for themselves.

Say, are you good company? No, this isn't a Listerine or Life-buoy warning. I'd just like to know if you are really good company? There's one way to judge that question. You know you've heard some candid individual confess—"Why I'm so grumpy I can't live with myself". Actually that statement is often times true. If you enjoy your own company—then others will enjoy it to—at least that seems to be the sentiment expressed in the lines of Georgie Starbuck Galbraith.

Rather than be alone.

So solitude's dark canyon

### Golden Anniversary

(continued from page one)

months later as we stopped here on our way to Cardston we saw but few buildings. The Rolfsen house, the Gibb house and some tents were in evidence dotted across the prairie. We rode on to T. O. Kings ranch where we visited over night. The next day as we were driving into Cardston my new hat blew off and in my mind's eye I still see my precious hat rolling away across the frozen prairie never to be seen again.

Arriving in Cardston we called on President Chas. Card and received instructions as to our MIA Missionary labors. The first thing Elders Burton, King and I did was to go to a store and purchase fur coats to keep us warm as we travelled from place to place.

It was on November 9th. one month to the day of our marriage that we left Cardston in buggies with Zina Y. Card, President of the Alberta Stake YLMA, and Lucinda Woolf to organize the Mutuals in Raymond. I remember we stopped at Zebulon Jacob's home a short time as we came through Magrath.

When we arrived in Raymond I remember standing on the open prairie and counting all the buildings in sight; there were fourteen. Elders Burton, King and I were invited to eat supper in the Tent Restaurant of Harry Jones where for the first time we met Apostle John W. Taylor and Jesse Knight.

We all sat on slabs of lumber, ate out of tin plates and drank out of tin cups but that mattered not a whit; Harry's beefsteak was tender and good and everyone was friendly, happy and hopeful for a successful future in the new land.

After supper we wended our way to the Chas. McCarty store where we again sat on slabs of lumber, nail kegs, boxes, buckets and anything handy we could find in the store, where the YM and YLMA Organizations were effected. Mrs. Alsina B. Holbrook was chosen President of the young ladies and sustained on Sunday November 10 with Gerlie Rolfsen as First and Vienna Kimball as Second, Councillors. Shortly after this Clara Selman was chosen Secretary Treasurer. Out of this first organization two members are still in Raymond. Gerlie Rolfsen (Mrs. E. B. Hicks) and Clara Selman (Mrs. Orlon Rolfsen). As Ephraim B. Hicks had been laboring among the young men in the Canal Camps previous to this time, he was retained as leader of the YLMA. Two weeks later, Nov. 24th. L. H. Holbrook was chosen Raymond's First Sunday School Supt. By the way boys and girls, Tuesday May 15, is the Golden Wedding Anniversary of Mr. and Mrs. L. H. Holbrook. In our hearts let us honor them and wish them health and happiness through out the remaining years of their lives.

As soon as 1,000 tickets are disposed of, the draw will be made. Get your ticket soon and support a worthy cause.

Following the regular meeting a Fierce ping pong and dart tournament was run off under the direction of the Sports and Entertainment committees. The Past President again copied the table tennis honors; the darts, a slow game with only one board, was still going on when we left.
